Representatives
ATTN OF: 65-10

SUBJECT: (U) MARTIN SCHUNACK (DOB: 8 October 1912, Törpersdorf, Germany)

TO: DAD, Germany

1. (c) On 27 May 63 a usually reliable source of OSI, noting that
SUBJECT, who is the Deputy Chief of the Uniformed Police in Wiesbaden,
was interested in and probably would be further officially involved in
President Kennedy's visit to Wiesbaden in June 63, furnished the fol-
lowing information to OSI:

a. SUBJECT is a Kriminalhauptkommissar of the Schutzpolizei,
Wiesbaden. He resides at #3 Dantestrasse; his telephone number is
27 11 9. He resides at that address with his wife HELGA who was born
26 September 1920 in Wiesbaden. He formerly drove a vehicle, a Hansa
1000, yellow in color, with Wiesbaden license WI-MS-40. It is not
known if he still has this vehicle.

b. In the Spring of 1960 the LfV, Hesse, was advised by one
REINHARD PAPRITZ (DPOB: 10 February 1932, Königsberg, East Prussia)
a refugee and suspected MPS agent, that he recognized SCHUNACK as an
ex-SS official and he could not understand how SCHUNACK could hold
his present official position. Based on this, the LfV checked the
Berlin Document Center and determined that SCHUNACK had been a Haupt-
sturmführer.

c. At about the same time (Spring 1960) a source of the LfV who
lives near SCHUNACK reported that he had seen suspicious activities
at the SCHUNACK residence on evenings. These activities consisted of
the transfer of packages from SCHUNACK's car to the cars of visitors.
Based on this, during the late Summer and Fall of 1960 the LfV con-
ducted surveillances on SCHUNACK's residence. These surveillances
disclosed that SCHUNACK would come home late at night and transfer
packages from his car to the vehicle of a visitor or, in addition,
he would have visitors at night and he would bring packages from his
house which were loaded into the visitor's car. The contents of the
packages and the nature of SCHUNACK's activities were not determined
by the LfV. The visitors at SCHUNACK's residence were identified by
the license numbers of their cars but no unfavorable information was
disclosed during file checks on these persons. The LfV dropped the
case due to the lack of a specific allegation and because SCHUNACK
is a high official in the Wiesbaden police, with which organization
the LfV does not have a close amicable relationship.

d. OSI's source stated that based on the above he makes the surmise that SCHUNACK may be under pressure from a hostile intelligence service who may know of his former SS position. This source further advised that he believed it would be appropriate if OSI were to initiate CIS coverage on SUBJECT's mail and telephone.

2. (C) On 29 May 63 a review of the files of the USAREUR Central Registry did not disclose any information on SUBJECT. On 29 May 63 a review of the files of the 7000th Support Wing, CAS, Germany, and the Technical Research Btn of the 513th Intelligence Corps Group were reviewed and did not disclose any information on SUBJECT. The files of OSI District 70 do not contain any information on SUBJECT or wife.

3. (U) OSI is awaiting a Berlin Document Center check on SUBJECT and further hopes to obtain biographical data on SUBJECT based on our request for such data on all leading police officials in Wiesbaden.

4. (U) This correspondence is classified CONFIDENTIAL to protect the source of OSI's information on SUBJECT.
